

FISCAL NOTE

SB 3105 - HB 3368

February 12, 1998

SUMMARY OF BILL: Provides that first-time applicants for driver licenses would not be assessed a reinstatement fee for any reason. Currently a person who has never applied for a driver license, but has received a suspension or revocation action against their driving privilege, must comply with all requirements for reinstatement. This includes the payment of the reinstatement fee.

ESTIMATED FISCAL IMPACT:

Decrease State Revenues - \$309,100 Recurring

Estimate is based on the FY 96-97 total of 90,668 individuals who reinstated their driving privilege. Of that total, 2,053 or 2.26% did not previously have a driver license. During FY 96-97, reinstatement fees of \$13,677,000 were collected.
($\$13,677,000 \times 2.26\% = \$309,100$)

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
